- Bilingual Education, PK-12
- Comprehensive Special Education, K-12

Teachers who teach in one of the shortage areas can benefit from the following state programs:

Teachers' Mortgage Assistance Program

Section 8-265pp of the General Statutes established a Teachers' Mortgage Assistance Program for **certified public school teachers who are employed by, and purchase a first-time home as their primary residence in, a priority or transitional school district. Section 57 of Public Act 01-173 amended this statute to include in the program certified teachers who are employed by technical high schools located in priority or transitional school districts. Additionally, the program is available to certified public school teachers who hold the endorsement and teach in the 2010-11 state-identified certification endorsement shortage areas.**

In the case of certified public school teachers employed by a priority or transitional school district or by a technical high school in a priority or transitional school district, the dwelling must be located in that district. Teachers who hold the endorsement and teach in a state-identified certification endorsement shortage area will be able to purchase statewide.

This Teachers' Mortgage Assistance Program is an important incentive to have educators live in the community in which they teach, as well as to address shortage area needs. The program is administered by the Connecticut Housing Finance Authority (CHFA) through their participating lenders.

All eligible teachers seeking a mortgage through this program will be required to have a Statement of Eligibility signed by the Superintendent of Schools. Attached is the Statement of Eligibility that you may copy and distribute to eligible teachers. This signed Statement will be required by the mortgage lender for proof of eligibility.

Any questions or concerns regarding the Teachers' Mortgage Assistance Program may be directed to the Single Family Underwriting Unit at CHFA, at (860) 571-3502.

Rehiring of Retired Teachers

Retired teachers may be reemployed without being subject to the earnings limit if they teach in a subject shortage area for the school year in which they are being employed. This employment may be for up to one full school year and may, with prior approval of the Teachers' Retirement Board, be extended for an additional year. If you have questions about this program, please contact Darlene Perez at the Teachers' Retirement Board at (860) 241-8402.

Questions concerning the designation of teacher shortage areas may be directed to Michael Sabados either via email at michael.sabados@ct.gov or by phone at (860) 713-6856.
